

## “Hope and a future for struggling children”

We are Transforming Lives for Good.

“TLG is a Christian charity that helps churches to bring hope and a future for struggling children. From school exclusion, to poverty and holiday hunger, there are children across the UK facing some of the toughest starts in life. We're all about believing change is possible and that's why in all our work lies an unchanging resolve to transform lives for good.”

**Holy Trinity** is partnering with TLG to implement and run an Early Intervention programme at Surrey Hills All Saints School. Starting in January 2020, trained volunteers from our congregation (Liz Bradley, Ali Mabley, Sally Stacey, Libby Witt and Jan Wylie) will be coaching individual children who are struggling at school, for one hour a week for a year, with the aim of helping them become more confident, enthusiastic and excited about school and the future. The aim is that by doing this, these children will be successful at school and avoid the risk of exclusion later on.

**Please support the Early Intervention programme by praying:**

- for the **coaches** as they prepare for the start of coaching
- for the **children** that they will be coaching and **their families**
- for the **staff and children** at Surrey Hills All Saints
- for **all** the children and families in our country that are struggling
- that God would raise up the local church to **be the light** in their darkness
- for **TLG**, and that more people may be inspired by the valuable work they do to **volunteer to be Jesus' hands and feet**.
