Who's Who in Westcott66-67

Westcott has a population of over 2,000 and this is the only magazine written specifically for the Westcott area by the people of Westcott. It is hand delivered, free of charge, to every household and further copies are available at the church, local shops, pub and doctor's surgery.

If you have any articles, photos, letters, etc that you think we may like to feature in the next issue, please email the Editor on:

#### editor@westcottmag.com

But please note, publication will always be subject to space and at the discretion of the Editor.

> Copy deadline for September issue: 8th August 2021

This magazine, published by the Church in Westcott, is printed on Forest Stewardship Council (FSC) accredited paper from a sustainable source. The views expressed are those of the individual writers and do not necessarily reflect the views of the Church, Editor or Westcott residents.

## FROM THE EDITOR

We made it to summer! It did feel at some points during this year that it might never come.

We currently have 2

vacancies on the magazine - looking for a new distribution manager and an advertising co-ordinator. If you have a few hours to spare a month and feel you could help in either of these roles, please check out pages 34-35 and let me know.

The First Wednesday coffee morning is hoping to restart when allowed and also needs some new volunteers to set up and serve the teas and coffees. I'm sure you have all been going on more walks as the weather has improved, making the most of our beautiful surroundings - and we have a very interesting article about GPS Art on page 59. I'd never heard of it but it's a way of drawing a picture with your route as you walk - see what you can come up with and send me your pictures when you get back. Let's see who can come up with the most artistic (recognizable) picture!

Don't forget Westfest on 18th July, too!

Enjoy the summer break and keep taking those photos!

#### **BABY MEALS**

For over 16 years, families of new babies in Westcott have been receiving 'Baby Meals', a gift of a hot meal for the whole family, delivered to their door for two weeks. An initiative driven by the Church in Westcott, it is a practical and highly valued service, provided by people across the Westcott community

Please get in touch if you think you could help out occasionally cooking meals for families with new babies, or other Westcott residents experiencing difficulties, especially during COVID, who might benefit from a few home cooked meals.

### ...FROM ALAN JONAS, VICAR OF WESTCOTT

**KEEPING** Α RESIDENT VICAR, VIBRANT CHURCH IN THE VILLAGE IS EASY... ....IT REALLY IS

In the May magazine I shared the good news that Guildford Diocese intend that I will be replaced after I retire in the autumn, because of all the vibrancy that you bring to the

Church in Westcott. Westcott will keep a resident vicar in a long line going back to 1852, when Holy Trinity was founded. But will my successor be the last?

I hope you agree it matters. There is much that Jenny and I are looking forward to about life in our Devon village when we move, but it is sad that, since a few years ago, there is not a resident vicar. As in many places 'Vicarage Lane' leads to what is now the 'Old Vicarage'.

It really should be easy enough to sustain church life in villages, towns, across the country. All it needs is for people - you - to:

#### •Worship •Serve • Give

Worship: Worship is the bedrock of church life. Out of the weekly focus

Give: It costs around MAY GOD GO ON BLESSING YOU

AND THIS VILLAGE

AS YOU

WORSHIP, SERVE, GIVE.

£130,000 a year to maintain a church with a full-time vicar, virtually all of which can only be raised by giving. This should not be difficult once

we realise there is real joy in giving. Throughout our lives, Jenny and I have aimed to follow the guide of giving away 10% of our income - half to the local church, half to other agencies. We have delighted in doing this. The whole church, communities

of being together, arises all of the activities and pastoral care that are so vital to any community. If Britain is a 'Christian country', it is because Sunday-by-Sunday worship has underpinned our culture.

Serve: Everv church needs volunteers. The Church in Westcott is dependent on over 100 people who freely give of their time and talents. This service sustains our church and brings benefits to so many people in the village and beyond.

## ...FROM ALAN JONAS, VICAR OF WESTCOTT

throughout the country, our nation and aid agencies around the world would be truly blessed if everyone discovered this joy in giving. It really should be easy: An hour a week in the privilege of worship, finding time over a month to serve, and giving with joy.

Will you, then, do all that you can to ensure Westcott goes on having a resident vicar and a vibrant church? May God go on blessing you and this village as you Worship, Serve, Give.

#### SUMMER SHOW 10TH JULY 2021 between 2.30pm and 4pm In the READING ROOM

Now that you have had compulsory gardening for the last eighteen months, this your chance to show off the results!

As well as the flower and vegetable entries there will be displays of artwork, flower arrangements, cakes and children's entries.

Every one can enter and exhibit. If you need the show schedule of classes and an entry form, these are available from 1st July at Westcott Store (formerly the Bakers). Your entry form should posted into the designated box before the deadline of

3pm on Thursday 8th July, again at the Village Store.

There are helpful hints on exhibiting in the schedule. Lots of cups and awards are awarded for a variety of classes including novices. There are also cash prizes for the Children's classes.

Please come along and enjoy yourselves at a quintessntially village event. Entrance for non exhibitors is 50p for adults and 20p for children.

## THE HUT AND THE READING ROOM

I said in my May update that the Reading Room trustees had instructed development consultants to review the funding requirements and funding sources for a new village hall/ community centre on the Hut site, with potentially a new doctors' surgery. As I write this update, the consultants have yet to deliver their report but the indications are that the numbers are very tight, but not completely impossible.

As I have said before, both sites are owned for the benefit of the village and any 'dealings' will need the consent of the Charity Commission, who will want to be satisfied that fair value is obtained for any land which is eventually sold. So what is 'fair value'? Given where we live, land tends to achieve the best value if sold for housing rather than to build commercial premises. The distinction is not unimportant as (from a legal perspective) the doctors would be operating a business in a commercial building, no matter that we do not typically think of them or of a surgery in such terms.

What therefore is the 'fair value' of the footprint of a new surgery built as part of a 'mixed use' development consisting perhaps of the new village hall/community centre, the surgery, parking and new housing potentially split across both sites? How do you assess the separate 'land use' values and contributions which each of these components makes to the overall acceptability (hopefully) of the project in Planning terms? Looking into the future and at the Green Agenda, how much land do you allocate for parking which by definition is a 'landhungry' (and therefore expensive) use of any site? If something has to give, do you opt to lose the surgery or some of the parking, or do you try to squeeze

in more housing at the expense of a more modest village hall/community centre?

At the time of writing, discussions continue on these issues and the plan to merge the two charities in readiness for the trustees' decision on the project. At the same time, the doctors are testing their financial model to see what they can afford.

Assuming WESTfest goes ahead, the trustees will be there hoping to canvass your thoughts on what the village most values about the current facilities and where Westcott is thought to be short of what people would like to have available to them. They hope to see you at their stand and will be offering a prize draw to entice you to share your views on the priorities.

## WESTCOTT VILLAGE ASSOCIATION NEWS

Dear Resident,

We have had a busy year and have achieved quite a number of things using the money which you have donated to the Village Association.

All of the issues are ones which you as residents have raised with the Village Association over the years and we have tried hard to clear a backlog of things like speeding vehicles, noise, dog fouling, and defibrillators, so that

we can move on to tackle new things which you want to see happen in the village.

The Trustees of the Association work as volunteers on your behalf to get things done but we would like more people to get involved with the work we do and generate ideas to improve our community. This is why we want to tackle the perception that the WVA is a bit of an exclusive members club which only works for a small select group of residents. As a Residents Association (formed in 1974 by a poll of all residents) we have the same responsibilities as a Parish Council but without the statutory right to raise money by an additional amount on your Council tax. We are most definitely NOT an exclusive club but work for the community as a whole!

Ŵ

This is why we want to change the constitution so that (subject to the resolution being passed at the AGM) all Westcott Ward residents who are 18 years or older will automatically become members of the Association and will no longer be asked to pay a membership subscription which confers the right to vote at WVA meetings. After the AGM any resident can attend meetings and vote.

This does, however, leave the issue of how the WVA will be financed in the future. All membership subscriptions in the past were voluntary and this raised about £2,500-£3,000 per year, but we need to continue to raise this sort of money to carry on the work we do. This last year has been a bit exceptional and we have spent about £7,500 on projects across the village. It is vital therefore that we continue to seek voluntary donations going forward for ongoing work and new projects.

Many of you already have an annual standing order with your bank and we welcome this as a continuing way to fund the Association. Our Street Stewards in the past also collected money by knocking on doors, but we

have not been able to do this for the last 18 months because of Covid-19 restrictions, and this has caused a drop in our funding.

If you have not already done so, please therefore think about setting up a standing order with your bank – it is quick and easy to do and once done can continue without you having to think about it again. £10 per household per year is all we ask. Alternatively, this year our Street Stewards will be at WESTfest and you can pay either by cash or with a card to help continue the work of the Association. At around 20p a week we think this is exceptional value for money.

Please tear out the flyer in this edition and return it to us with your donation for the coming year making sure you add your email address so that we can continue to communicate with you. (This email address will only ever be used by the Association to send information emails and will never be disclosed to a third party).

More importantly we would like to see more of you attending meetings and having your say on what is important to you as residents, and what projects you would like to see the money we raise spent on. Unless you tell us, we can only make a best guess at what matters to you. Finally, one simple way to help raise money is to donate a bottle

of wine/beer/spirits to our WESTfest Tombola stall. In 2019 we raised about £700. It would be great to beat that target this year. Bottles can be left at 55 Parsonage Lane or High Trees, Westcott Street for the stall (no later than Friday 16th July please).

Thank you for continuing to support the WVA and thank you to all who attended the AGM; we look forward to seeing you at our WESTfest stall on 18th July where you can talk to us in person and express your thoughts and opinions.

An annual standing order with your bank is the easiest way to make a donation to the WVA.

#### **COVID Update**

As I write this, the local area appears to be at the foothills of the start of a potential third wave of COVID and it remains a little uncertain whether the conditions will have been met for the continued easing of the infection prevention and control measures.

The more we all use the footpaths and bridleways then hopefully slower the veaetation will the encroach into them. Whilst Surrey has a prioritised process for getting each one cut, if you encounter a route that is so overgrown that access is compromised, then please do report it via the Surrey website:

www.surreycc.gov.uk/landplanning-and-development/ countryside/footpaths-byways-andbridleways/contact-us-or-report-aproblem-on-a-right-of-way

There is a balance to be reached between allowing the natural habitat to do its thing for the benefit of us all and preserving access to our green spaces with all the mental and physical health benefits that these rights of way bring to our community.

This year with the later spring growth we have seen, it seems likely that the balance and the planned maintenance programme will be as important as ever. If you are an owner of a hedge or other vegetation that forms the boundary of a right of way then thank you from all of us for the time and effort you put into maintaining these for everyone locally. It really is appreciated.

#### Westcott Cricket Club

It seems that nearly every day now the Westcott Sports Club is being used for one sporting activity or another – that has to be good news for us all.

If you are interested in following the scores of or playing for the Cricket Club – or indeed in simply buying some of their very smart clothing range, you can keep in touch with what is going on by visiting the website westcottcc.com - all the match scores and reports are available.

Years ago, Friday evenings used to be a time when many village residents would congregate at the Sportsclub for a social catch up and to unwind from the week gone by.

In these days of working from home, with the benefit of not commuting, if you find yourself with a hour or so free on a Friday night why not head down to the club to see what is going on and to catch up, outdoors, with fellow Westcott residents.

#### **Pride Month**

June was Pride month and it was great to be able to participate in a number of events to help us celebrate and to raise awareness of diversity and inclusivity, of the history of Pride and to continue to support

If you would be interested in establishing an LGBTQ+ network group in Westcott and / or in thinking about events that we might do in our village to mark Pride 2022, then please do let me know.

#### The Arts Society Dorking

Currently the final Lecture for the year 2020/21 will be held live in Dorking Halls. Due to restrictions in place we are unable to have visitors or quests on Tuesday 13 July 2021. However, we welcome new Members who wish to join when we start our new series of Lectures in October 2021 with a full and interesting programme being finalised and visits being planned.

Just to give you a taste of what Members will hear in July: From Downton to Gatsby - Jewellery & Fashion 1890-1920 Andrew Prince will guide the Members through the extraordinary periods and events between 1890-1920 when the great fashion houses collaborated with the finest of jewellers. He will also discuss the clients and patrons who commissioned the jewels and how they were worn with the sumptuous gowns. We look forward to you joining us in the Autumn and for more information please view our website www.theartssocietydorking.co.uk.

#### YE-HA WE'RE BACK!

We're really looking forward to welcoming everyone back to WESTfest again at Cradhurst Recreation Ground on 18th July!

**STOP PRESS:** WESTfest has had to make some last minute adjustments after the government's extension of Stage 3 of the Covid roadmap, BUT we can still have our WILD WEST themed bucking bronco and shooting gallery, plus live music from the fabulous 'Wanted Men'! Our popular 'have a go' Dog Agility will be back too - great fun to try (and just as entertaining to watch!).

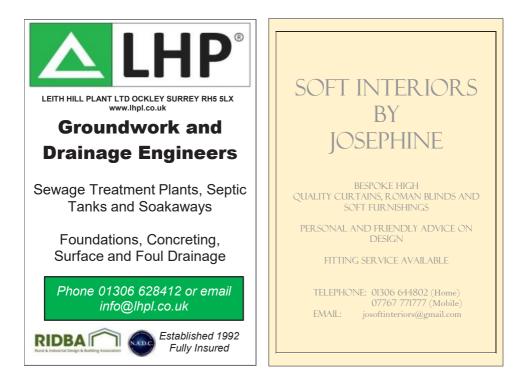

Soak up the atmosphere with friends and family in our food & drinks area - whether it be a cuppa & cake from the Guides, a G&T from Silent Pool, a beer or Pimms from Dorking Brewery or perhaps something to eat from Surrey Hills Wood Fired Pizza or McGuinness Hog Roast and BBQ.

We have a wide selection of local arts, crafts and trade stalls plus community groups and free games for children, including a fabulous Mini-Athletics arena. The famous WESTfest Charity Silent Auction will be back, plus the cash prize raffle; and don't forget to bring your entries for the creative Cowboy Boot Competition to the DJ tent by 3.15 so they can be admired by the judges!

Sadly due to Covid restrictions on gatherings, we're unable to host the lovely Surrey Hills Maypole dancers or the wonderful Desire to Dance this year, or have our usual 'Fun Dog Show'; which we're really disappointed about, but our live band and fabulous compere Graham Baker will keep us all entertained.

As ever, we're grateful to EVERYONE that supports WESTfest: our stallholders, advertisers, event sponsors UNUM and Westcott Village Association, Raffle sponsors, The Tree Associates (Surrey), Bramley House Residential Home, Westcott Garage and C J Uden, and the many Silent Auction donors... plus all the Westcott residents and friends that come along on the day.

COVID: we hoped to run WESTfest free of the remaining restrictions, but sadly that was not to be. WESTfest is working hard to comply with Covid safety measures so we ask everyone to remember to socially distance, especially

## SURREY HILLS ALL SAINTS PRIMARY SCHOOL

#### Dear All,

As we come towards the end of the academic year, school life at Surrey Hills All Saints continues to be as busy ever. The children are preparing for their sports days, always a highlight of the summer term. Years 4 and 6 are off shortly on their residential trips, which we are so pleased they are able to attend. These are such valuable experiences for our children, especially following the restrictions of lockdown.

Wishing you a good summer and fun filled staycations!

Here are some recent highlights:

#### **Bees Class**

Bees' class have been busy running their garden centre, which looks absolutely delightful. The children have been selecting flowers and practising using the correct amount of coins. We've also been planting herbs and flowers to use in our mud kitchen and the children spent time watering and caring for them.

#### **Butterfly Class**

Last half term, Butterfly class used their outside area and the copse to discover and investigate plants. Activities included going on a wild plant

hunt during Forest School, where the children learnt how to identify the differences between wild and garden plants and bringing a decorated plant pot in to school to grow a sunflower in.

During the term, they kept a 'Sunflower Diary' to record their plants growth

and explained what it needs to grow well. The sunflowers are growing really well and have gone home to be planted in the children's gardens.

#### **Dragonfly Class**

This half term an alien invaded Dragonfly classroom! They left us messages, slime and even an alien baby! The children were very excited to find all the signs of an alien invasion and they have felt inspired

writing their newspaper articles to report on the event.

At the beginning of the term, we read and retold the story 'Bob Man on the Moon'. We then designed and made our own model rockets!

#### **Poetry Slam**

At the end of last term, phase 3/4 enjoyed performing their 'Poetry

Slam' in front of myself and the Chair of Governors. All the classes involved did a splendid job of practicing the art of performing poetry by adding gestures, emphasis, and sound effects! Above all, they enjoyed memorising and listening to a variety of poems which hopefully they will be able to remember for years to come.

#### 2020-21 Virtual Cross Country Results

The Dorking Sports Partnership ran a virtual cross country competition for the Dorking schools. This took place in the autumn term and was meant to continue into the spring term but was cancelled due to lockdown. Surrey Hills children did extremely well in both the individual and team competitions. Congratulations to everyone as all the year 3, 4, 5 and 6 children took part.

Please don't forget to follow us on Twitter and Facebook. Here you can see daily life at Surrey Hills All Saints and can share in the amazing learning opportunities the children experience each day. We wish our local community well and hope everyone is staying safe.

## WESTCOTT MAGAZINE VACANCIES

Westcott Village Magazine June 2021

The magazine is delivered free of charge to almost 1000 households in Westcott. It is published every month except August which is combined with July. Advertising pays for print costs and a team of 40 voluntary distributors deliver the magazine each month throughout the village.

The Magazine Team is looking for two new key members to join its team, an Advertising Lead and a Distribution Manager to ensure the magazine continues to connect

our village with news and local activities. We have a great team of around 40 volunteers who deliver to the 980 homes and public facilities in the village. It is only sustainable due to the written contributions by many and the financial support of our advertisers, many of whom have stuck with us despite the break in publication during the lockdowns and challenging economy.

Whether you are new to the village or a long term resident, this is a great way to get to know other people and places connected with our village.

#### Advertising Co-ordinator

#### Job Overview:

Responsible for coordinating the advertising of the Westcott Village Magazine.

Currently the magazine has 66 advertisers who renew on an annual basis. Each year there are a number of advertisers who do not

renew, and the key is to secure new advertisers, and invoice and collect payment from both existing and new advertisers. Also required to respond to any advertiser queries and ensure that any new artwork is acceptable to the editor and it is received on time. Throughout the year respond to inquiries from potential advertisers by email and invoice where appropriate. The next renewal is on 1 November 2021. In the renewal period of three months the time requirement is approximately 3 days a month; outside renewal approximately an hour a month.

WESTCOTT MAGAZINE VACANCIES (cont.)

#### **Distribution Manager**

#### Job Overview:

Responsible for managing the distribution of the Westcott Village Magazine.

Our goal is to ensure all magazines are delivered by the 1st of the month. Manage the team of distributors and deal with any temporary absences or longer-term changes. Approximately a week before the end of each month, the magazines are delivered to St John's Chapel, Furlong Road. A volunteer splits them into packs for collection. Liaise with the volunteer who splits the magazine into the

individual rounds and be backup in the event of absence. The Distribution Manager sends an email notifying that magazines are available for collection, and times when the Chapel will be open. Arrange delivery to the public outlets - currently the two shops and the Prince of Wales pub - at the start of each month. Liaise with the Project Manager and/or Editor for any printing delivery issues and also to establish annual delivery dates. Time requirement is approximately 2-3 hours per month.

So if you think you'd like more details about either of these voluntary roles, please email editor@westcottmag.com, and you can get more information and speak to the current incumbents about their roles. Please do contact us if you think you might be interested as we can't produce the magazine without these roles being filled your magazine needs you!

Thank you

## ABINGER NURSERY

We've recently welcomed a fluffy new addition to our nursery, in fact he's soooo fluffy we decided to call him... yes that's right! Fluffy! He's our super new puppet dog who is becoming a regular visitor to the reading corner. We all like to have little conversations with him now and again and he also helps to read us stories, with a little woof here and there!

Another animal visitor made it's way into nursery on our cookery day. We were all fascinated to learn about the fish that went into making our tasty sweet potato fishcakes. The fish was brought in whole and we discovered lots of new words that kept us captivated as we learnt about the different parts of the fish and how it swims.

From fluffy and fishy to slimy and squishy! Slugs, Snails and worms have been part of nursery life as we continue to explore our mini beast theme. We've been getting gloriously messy in the messy tray with coloured jelly with googly eyes and shells hidden within in it for us to smoosh around. We made edible worms settled on a bed of mud made from crushed chocolate biscuits. Then we headed to our woodland classroom to search

for real worms – encouraging them to the surface with our wiggly woo dancing!

By the time you are reading this we will have hatched some beautiful butterflies which we've been patiently observing whilst they complete their transformation journey. It's been extremely interesting watching the caterpillars grow and form their cocoons.

We are all really looking forward to our first local event in what seems like an age!

Come and visit us at our gazebo at Westfest, it's sure to be a fun filled afternoon!

If you have a child looking to start Nursery anytime now or in September please don't hesitate to get in touch. Please call 07842 978823 or email abingercommonnursery@gmail.com We can't wait to show you around!

## THE PAST IS A FOREIGN COUNTRY; THEY DO THINGS DIFFERENTLY THERE

This might be a tricky one for today's health and safety monitors, but towards the end of the nineteenth century, when this picture was captured by Walter Rose, local photographer and bee keeper, the Westcott School curriculum focussed on practical roles that pupils might take up on leaving. At that time most boys would find work locally in an agricultural or horticultural environment; hence the presence of beehives on the school allotment.

## QRMW

This year seems to be marching on the woodland is now so quickly, covered by a canopy of beautiful young green leaves and the the sapling trees have enjoyed the rain of the past weeks and growing rapidly, it's a joy to see. We are about to have the much awaited Anniversary Celebration and Commemoration Service at the woodland on 3rd July to which EVERYONE is welcome. Parking is available at the kindness of Sue at Bulmer Farm Paddock and we will have a shuttle service running too and from the woodland.

The BBQ and Bar plus some great stalls, raffle, tombola and craft stalls will be open from midday as we are asking people to arrive in good time for the arrival of the Chelsea Pensioners at 12.30. Four Chelsea Pensioners are attending in their Summer Scarlets.

They will be brought from the Royal Hospital to St Mary's Church, Holmbury St Mary by taxi where they will be met by Royal British Legion outriders who will escort their taxi along Pasturewood Road and into the Memorial Woodland where a number of Standard Bearers and the Cadets from the Frimley and Camberley Cadet Force will welcome the Pensioners to the tune of "Boys of the Old Brigade". I will then open the proceedings and the Commemoration Service will follow where 10 Ex-servicemen's families will honour their loved ones and plant young trees, plus we are planting a Red Camelia in honour of all Chelsea Pensioners.

We are honoured to have our Reverend David Grundy joining in the Commemoration Service with prayers along with other Clergy. After the Commemoration Service The Willesden New Testament Church of God Gospel Choir will entertain us with some uplifting songs. There are some fantastic raffle prizes and an auction will take place later in the afternoon to raised funds for those Veterans who are in need of assistance.

## DORKING MUSEUM

for Voluntary Service

In June, the team of volunteers Dorking Museum & Heritage at Centre was delighted to have been honoured with The Queen's Award for Voluntary Service - the 'MBE for volunteer groups'. The Award is the highest national honour of its type, awarded to exceptional aroups of volunteers across the UK who regularly contribute their own time to enhance and improve the lives of others, and whose level of initiative and impact are truly outstanding. It was created in 2002 to celebrate The Queen's Golden Jubilee. The Dorking Museum team was one of 241 charities, social enterprises and voluntary groups to receive the prestigious award this year.

Museum interim chairman, Kathv Atherton said: "The Museum is a key part of the cultural heritage of this community. The 15 months we have just been through has been a particularly challenging time for everyone. It has been so difficult to see our doors closed and most of our other activities curtailed. However, our volunteer team has been resilient.

often adapting to other roles and new projects where they can - indeed, many have worked harder during the current crisis than ever before. So, after all the disappointment and frustration, our volunteers can welcome some cautious return to normality with the added boost that their hard work and commitment has been recognised with this wonderful and prestigious award."

Appropriately, the award announcement during came Volunteers' Week an annual celebration of the contribution made by millions of people across the UK through volunteering. This is a time for us to come together and thank all volunteers for their invaluable contribution.

#### Summer Family Activity:

The Museum's family activity this summer is planned to be 'Fun and Games of Yesteryear'. Families are invited to come along to the Museum and have some old-fashioned fun with us, finding out what games people used to play. Before the days

of computer games, there were wooden board games, like bagatelle shove or ha'penny, and

#### Forster@50:

Our current special exhibition is 'Forster@50', commemorating the 50th anniversary of the death of the writer E M Forster. Although best remembered for

his novels, Forster was also a prominent political and environmental activist. He knew the Dorking area from a young age, when he regularly visited his aunt in Abinger Hammer and subsequently lived there for over 20 years. The exhibition explores his life locally, the local initiatives he took part in (the Dorking Refugee Committee, the Abinger Pageants) and his local associates (Ralph Vauahan Williams and others) as well as the impact of the area on his novels. A short film put together by the Museum team to accompany the exhibition may be viewed at https://dorkingmuseum. org.uk/forster50/.

#### Walking in Dorking:

The Museum's popular programme of guided walks in the town and surrounds continues - join a scheduled walk or organise a group walk with family or friends at a time to suit you. Scheduled dates for July include The Deepdene Trail and Betchworth Castle, both on Sunday 18th July, 2pm: both offer exclusive access to features not normally open to the public. In the town, Mayflower 400 Walk (Dorking in the time of William Mullins), Thursday 22nd July, 6.15pm; Hidden Dorking Historic Walk (hidden treasures of the town), Sunday 25th July, 2pm; and a walk combining highlights of those two itineraries, Tuesday 6th July, 4pm. Walks take 90 minutes.

Numbers are limited and, under present conditions, social distancing should be observed. Please see the website for details and booking, for dates of other scheduled walks and for group bookings (dorkingmuseum. org/guided-walks-around-dorking/).

#### YOUR VILLAGE NEEDS YOU!

Do you find y o u r s e l f w i s h i n g there was more you could be d o i n g

locally to improve the environment and the planet? Here in Westcott there are others who are thinking just like you. Whether it's repairing those broken items (rather than sending them to landfill) or planting more bee and butterfly friendly flowers in your garden, using less plastic or walking to school or work instead of driving – as a major supermarket would say, "every little helps!"

Arguably, we're all doing our bit so why should we do anything else? We live in the beautiful Surrey Hills – do we need to think about our environment when there is plenty of wildlife around us and nature is busying itself right on our doorstep? Sadly the fact is that although we are all trying really hard to reduce our impact on the environment, it is not quite enough!

#### **UK Red List Species**

Established in 1964, the International Union for Conservation of Nature's Red List of Threatened Species has evolved to become the world's most comprehensive information source on the global extinction risk status of animal, fungus and plant species.

There are currently 67 birds in the UK which appear on the red list. According to the RSPB, many of our most beautiful song birds are now in danger. These include nightingales, skylarks and cuckoos. More familiar garden species are red-listed too, including starlings, song thrushes and house sparrows.

It's notjust the birds which are struggling. According to the Mammal Society one quarter of native mammals in the UK are now endangered, and 47 are at imminent risk of extinction! Among those species listed as being at risk of extinction in Britain are, the water vole, hedgehog, hazel dormouse, wildcat and the grey long-eared bat.

So, if you thought that things were ticking along just fine - think again. We can each make a difference individually, but if we come together and pool our resources we can most definitely make a bigger impact.

# ECO CHALLENGE WESTCOTT (cont.)

#### Ever heard of an 'eco village'?

This might conjure up images of hippies with flowers in their hair, dancing round open fires, eating chickpeas and lentils and spouting words of love and peace! However, if that's what you think an 'eco village' is, think again!

Although the hippies of the 60s and 70s may have been onto something when they tried to ensure their lives had less impact on the earth, the actual definition of an eco village (according to the Global Ecovillage Network) is an "intentional or traditional community, using local participatory holistically to integrate process ecological, economic, social and cultural dimensions of sustainability in order to reaenerate social and natural environments".

That's certainly one way to describe it! I think what they are actually trying to say is that eco villages are communities which strive to make the smallest possible negative impact on the natural environment by intentional physical design ideas, combined with residents' behaviour.

#### What about the neighbours?

A number of likeminded residents in Westcott have come together with some wonderful ideas about how to begin helping Westcott become a more environmentally friendly place. And it's not just Westcott that

are feeling it – our neighbours in Betchworth have also begun their own plans to rewild parts of their village to encourage pollinators, and other mammals dependent on them, as well as developing other green ideas.

#### So what can we do?

Firstly if you are already doing green things in Wescott that we don't know about please do get in touch. We would love to pool resources with you and bounce ideas around.

Secondly, if you have been looking for ways to live more sustainably and would like to be involved in making Westcott a greener place, please let us know. We are keen to make this happen and the more of us involved the more we can change!

Please email your interest and ideas to ecochallengewestcott@gmail.com Or come and chat to us on our stall at Westfest this year on 18th July.

## WESTCOTT VILLAGE COFFEE MORNING

Dear Ladies and Gentlemen,

As many of you will know there has been a Coffee Morning held in the Reading Room on the first Wednesday of every month (except January.) This Coffee Morning remained an unbroken tradition since 1964 until the Covid lockdown in March 2020.

We are hoping to start again later this year, however partly due to ill health and family commitments, some of our volunteers have sadly resigned.

If anyone would like to join our team of helpers it would be lovely to hear from you. This would involve helping once a year, possibly twice, depending on the number of volunteers. A team of two people would need to make and serve the coffee and biscuits for a couple of hours and leave the kitchen tidy.

We also need kind volunteers who would be willing to help set up the tables and chairs beforehand, and to put them away again afterwards.

My sincere thanks to all our loyal past supporters and I look forward to welcoming you back soon.

# Would you like to walk a Donkey or a Bear?

Got your attention? Well you can't walk a real bear or a donkey in Westcott but you could walk the shape of one to create your own GPS Art.

GPS Drawing, also known as GPS Art, is a method of drawing using a Global Positioning System (GPS) device (e.g your phone) and follows a preplanned route to create a large-scale picture or pattern. This has been done in many cities in the world, particularly

those with street grid systems where it is far easier to create shapes or write words. Here in Westcott we have many footpaths but you can only with work the footpaths that are there (hence a rather skinny donkey shape route below) and unfortunately VOU cannot walk through someone's back garden or a farmer's field to create the 'perfect' shape.

If you're interested in re-creating a donkey, bear or deer's head shape of your own on a long walk orrun these GPS routes have been shared with you on plotaroute. com. Simply choose route number 1534456 (Donkey), 1545555 (Bear) or 1535304 (Deer's Head – or Goose Landing if you turn it anticlockwise). There are other shapes being plotted and tried out in and around Westcott if you are interested. It's the perfect way to build your kids' map reading skills and see how successful you were when you check the shape you've created when you get home and see your actual route.
